

2024 – 2025 Mathematics Overview → Year 4

Autumn 1 (8 weeks)	Numbers and the number system	Autumn 2 (7 weeks)	Calculating space (Area and perimeter)	Spring 1 (6 weeks)	Counting and comparing 2 of 2	Spring 2 (7 weeks)	Exploring time and money (just the money objectives) 2 of 2	Summer 1 (4 weeks)	Investigating properties of shapes	Summer 2 (7 weeks)	Mathematical movement
	Counting and comparing 1 of 2		Calculating: multiplication and division		Counting and comparing 1 of 2		Investigating angles		Measuring space		Presentation of data
	Calculating: addition and subtraction		Exploring fractions and decimals		Calculating fractions and decimals		Checking, approximating and estimating				
	Exploring time and money (Just the time objectives) 1 of 2
